Important Reminders:

- For the health of the classrooms, please make sure to give your child a daily health check as we approach flu and cold season.
- Make sure to sign in & out your child everyday. This is a licensing requirement for the school. Best practice is to sign out your child before picking them up.
- Please ensure that the CEC iPad is used exclusively by adults. We have had instances of children being signed in and out when they shouldn't be. Thank you for your cooperation.
- Please provide extra clothes in your child's cubby. This includes the Pre-K classes. Label jackets and sweaters with their name!
- As a reminder, leave the circle open between 8-8:30 am so TLCS families can drop off their children safely. During this time, please park in CEC or the church parking lots. Thank you for your cooperation!
- Teacher's are currently working with the children and seeing their progress. Please check with your child's teacher for Fall progress reports at the **end** of the month.
